Weekdays	**10:00 – 7:00**
Weekends/Holidays	**9:00 – 6:00**

****

There are two (2) options at the carousel beach for the Taxpayers of Watch Hill:

- Bathhouse/beach option: If you are interested in leaving your beach chairs, beach umbrellas, etc. The cost for the seasonal bathhouse is $200.00. You will be assigned a bathhouse to access for the season.
- Beach access only - If you are interested in beach access only (Watch Hill Taxpayer)– you stop by the office daily and sign in as a Fire District Member and there is no charge for the beach/bathhouse access. **This option does not include renters**. The additional fee for the renters is $100.00/week per family. Renters will be billed to the taxpayers if arrangements are not made in advance.

The taxpayer bathhouse and beach access is limited to members of the immediate family that are under 21 and living at home. Provisions can be made for other family members residing in the taxpayer's household which will be proportional to the taxpayer rate. Please indicate on the enclosed census form any additional family members as well as the ones included in the initial fee.

The beach will be **open weekends only** beginning Memorial Day Weekend (May 27-29, 2017) through June 11, 2017. **We will officially open for the season on June 17, 2017**. At that time, the beach will be open every day through Labor Day Weekend. If the weather permits, we will be open for the weekends September 9 & 10 and September 16 & 17. The beach will close for the season on Sunday, September 17, 2017. If the Fire District makes the decision to close the carousel for the season due to weather conditions, the beach will be also be closed.

It is necessary to register each person that will have access to the bathhouse on the enclosed census form. If someone is using your bathhouse that is not registered on our form, then you will be responsible for their beach admission.

SEE BACK PAGE FOR DATES OF EVENTS

The beach will close on rainy days.
Season customers must provide their own locks.
You may leave a duplicate key in the office in case of an emergency.
